2. **Shipping Methods:** Our normal shipping method is via UPS Ground; we will use this method unless you specify that you need faster delivery. Please be sure to give a street address for shipping; UPS will not deliver to P.O. Box. We will ship to APO boxes, if there is no alternative. We use UPSP for international shipping.
3. **Shipping Charges:** Shipping charges are based on the total package weight. The shipping charges are only what UPS charges us; there is no additional handling fee. If you need to know shipping costs in advance, please call or e-mail us and we'll gladly get a total for you before your order is shipped.
4. **Billing and Payment:** An invoice (net 30) for the items and shipping charges will be either included with your order or mailed under separate cover when your items are shipped. If you wish to prepay, please make checks payable to *North Valley Publications*. If you don't call for exact shipping charges before paying, any additional shipping charges will be invoice separately when your order ships.
